Together, We Heal. Together, We Innovate. Together, We Excel.

Dear Colleagues and Esteemed Guests,

It is with immense pride and excitement that I welcome you to the **10th Annual Conference of the Research and Innovation in Pediatric Surgery Society, a sub-section of the Indian Association of Paediatric Surgeons, RIPSSCON 2025** celebrating a decade of transformative excellence in paediatric surgery. As we stand at the threshold of this milestone edition, we reflect on our remarkable journey from humble beginnings to becoming India's premier platform for paediatric surgical innovation. This year's conference embodies our commitment to bridging cutting-edge science with practical clinical application.

RIPSSCON 2025 promises an extraordinary experience featuring a potpourri of pre-conference workshops that will make this RIPSSCON 2025 extraordinary:

- 1. Revolutionary Genomic Workshops** – Master the interpretation of genomic findings to enhance your research and publication profile
- 2. Artificial Intelligence Integration** – Integrate AI applications into your clinical practice, data management and research
- 3. Intellectual Property Rights** – Navigate the landscape of medical innovations and patents
- 4. Holistic Development** – Unique sessions on **Art of Living, Emotional Intelligence, Calligraphy, and Hand Sketching**

The conference sessions have been uniquely designed to navigate the crucial areas

Research Mastery – Comprehensive biostatistics talks covering select areas such as p-values, selection of statistical test and Forest Plots

Documentation and Profiling – Institute Ethics Committee and Clinical Trial Registry of India

Interactive Learning – Dynamic panel discussions replace conventional lectures for enhanced engagement

Recognition & Growth – Prestigious awards for residents and faculty, plus exclusive Fellowship of RIPSS opportunities

The team has crafted an environment where knowledge flows freely, collaborations flourish, and the future of paediatric surgery takes shape.

Mark Your Calendar: **December 05, 2025** – Pre-conference Workshops **December 06-07, 2025** – Main Conference

We look forward to welcoming you all to this event that promises to redefine the boundaries of pediatric surgery, where cutting-edge science meets compassionate care, and where today's innovations become tomorrow's standard of excellence.

Warm regards,

Prof. Sandeep Agarwala
